

# UNITY 2.2

Sit-Stand Bench Desk

FP-FM-02.0001-WT

## IMPORTANT SAFETY INFORMATION

1. Keep Hands clear of moving parts during operation and always visually inspect the area before adjusting the desk to avoid accidents and damage to property.

### **WARNING!**

**Pinch point.** Keep hands clear during operation.

2. Make sure no obstacles are in the desks movement path and all the cords connected to the desk are the appropriate length to accommodate the change in height.
3. Keep children away from the desks electrical components and ensure children are supervised while using the desk.
4. Keep all electrical components away from liquids.
5. Do NOT sit or stand on the desk frame or go under the desk when in motion.
6. Do NOT place any objects taller than 550mm under the desk.
7. Do not open or tamper with any of the electrical components (Legs, Control panel, Control Box and Power cable).

**Height adjustable desks have electronic motors and control gear and are designed for use in dry work areas ONLY.**
